updated rundev.sh w/ -- still using this for practice stuff

Commits on Oct 25, 2018

so the dictionary thing is working incuding pulling it up on browser

i know it's after mid-term but i got string_data to make a proper dic... ...

got api working -- after minor typo fix... added rundev.sh

Stormy9 committed on Oct 25, 2018

oops. shouldn't use 'string' for the input parameter name. (:

Stormy9 committed on Oct 25, 2018

removed testing print line from string_data.py

Stormy9 committed on Oct 25, 2018

better version of string_data working

Stormy9 committed on Oct 25, 2018

string_data works

Stormy9 committed on Oct 25, 2018

pipenv & flask installed
