pulling in evidence screenshots uploaded via website

Stormy9 committed on Nov 29, 2018

POST fixed to return timestamp, id, and location in hw4_app, hw6_app,... ...

Stormy9 committed on Nov 29, 2018

curl'd GET all/one using Port:8080 -- curl'd & browser

Stormy9 committed on Nov 29, 2018

oops

Stormy9 committed on Nov 29, 2018

oops, wrong one

Stormy9 committed on Nov 29, 2018

see? GETall matches stuff in mLab!
